EVAN VAN LEEUWEN

1971

Evan,

There is so much that I would like to say that I hardly know where to begin. I guess I will just try as best I can. I will always remember that S.C.A. dance after our first home game when you took me home. (The first time I rode in the Jeep, after waiting almost a year!!) Then there was the picnic at the Broaddus' Cottage - Remember we were the only ones there at first?! The next football game after that was the one that was rained out, so we went back to your house and watched T.V. and you tried to teach me how to play pool. I must have really been awful because that was the last lesson you ever gave me!! (oh well I'm not much better at Volley Ball, I'm sure Freeman Post will agree with that!) "September 25" is a very special date that I will always remember. And I assure you that wearing your ring means as much to me now as it did that very special night when you asked me to wear it!! Then there was the first time you took me out to dinner - Remember that long line at Nick's!? I really didn't mind standing in line because it was with you! Homecoming was wonderful, too. (Even though you felt awful because our class won 1st place in the float competition - that's okay everyone, except the judges, thought the Seniors deserved 2nd place more than the Sophomores!!) oh - I can't forget to mention the first movie we went to see - "Love Bug". Of course you were more interested in that Volkswagon's performance than me, but thats okay I've learned to live with the fact that I'll always rate second to cars - especially a Porsche! Ha! Ha! I can honestly say that the Christmas Day I spent with you was the best Christmas I have ever had! Christmas vacation was alot of fun, too. I didn't get too much studying done, but then I would much rather be with you anyway!! And then there was Valentine's Day when "someone" sent me some beautiful roses! Do you know that was the very first time anyone ever sent me flowers?! I had a great time when we went to Sandbridge - Remember how much fun it was walking along the beach... And of course getting our rings at the Ring Dance was a big thing - I think I was happier that the Dance was over than the fact that we received our rings! I really don't know how you put up with me during all that - it must have been very difficult! I really enjoyed going to your church in Norfolk for the Easter service. The Neil Diamond concert at the Collseum was fantastic. (Remember you didn't know who "Odetta" was until we got there). Even though bowling isn't one of my better sports, it really has been fun the times we've gone. And most important - are all of those "talks" we've had. I guess I could just go on for pages listing all of the wonderful times we have had together - but time doesn't stop so all we have are memories to lead us into the present: The Prom and then graduation. From there we look into the future. For you it will be the beginning of your college years. I'm so happy and proud for you - I know you will be successful at the University of Richmond. I still have one more year of high school to look forward to and as much as I would like to hope I know that it will not be as happy and complete as this year of my high school life has been. The reason, I'm sure, is obvious. After this year of being with you - before homeroom, between classes, I know Gloucester High will never be the same for me. This year has been the best year of my entire life and for this I thank you. Yet, that seems so trivial and inadequate to express this feeling to someone who has become so much a part of my life. No - for someone who has become my life.!! Yes, you are so much more than just a part of my life. All of the past memories I've talked about are parts of my life. And I know that you are much more than these! When things just seem as though they will never work out... I just think of you and somehow I know they will work out. It's like when my mind is a jigsaw puzzle with none of the pieces fitting together — somehow you make them fit together!! I know many times you are not aware of the help, guidance, and assurance you add to my life. But it's there, even when you don't realize it! I can remember thinking that I was too much of an individual for anyone to change. I just knew that I would always be me, with no outside influence. And then.... you came along and changed all of that. You have influenced my life to such an extent, that I'm sure not even you realize it. And for this great influence I say "Thank You!" I could never write enough words to express completely how much you have come to mean to me! I only hope that through my love for you - somehow you will know my sincere feelings. I love you for being you - the sincere and understanding person that you are. I admire you for your Compassion that you show others and I admire you for being so considerate. I respect you for your high standards and your truthfulness. I once read in a poem that we all are falling and yet we never know about it until we land... How true that is! Because I was falling in love with you, and it wasn't until I landed that I knew that I was in love with you! But I did know from the very beginning that I am the luckiest girl in the whole world because I have the sweetest boyfriend in the whole world!! And now everything will just depend on the future and I hope that it will be our future to share and enjoy together because a love as deep as ours should never be separated into two different paths. May God be with you, Evan, always! God bless you!!

with all my love, Karen.

Gloucester, Virginia

Volume XVII

1971 ushers in a new age for GHS, and with this age comes a new freedom. This freedom is like no other one we have ever known. This freedom is not the freedom to act as you please. It is nothing but a chance to do better. We, the Senior Class, would like to mark the beginning of this freedom in this, the 1971 Cavalier.

EVAN,

Well, it looks like we made it through Physics & English class! Whew! It seems as tho this year has gone by RATHER slowly, BUT when we look BACK All we HAVE left is MEMORIES! Behave yourself NEXT YEAR AT the UNIV. of Richmond, & maybe I'll see you sometime. TAKE care of KAREN too!

As Always

WORKING TOGETHER --

The ability to work together is one of the most vivid expressions of our new freedom. If everyone combines their efforts to achieve a common goal then each person is improved. Working together is freedom.

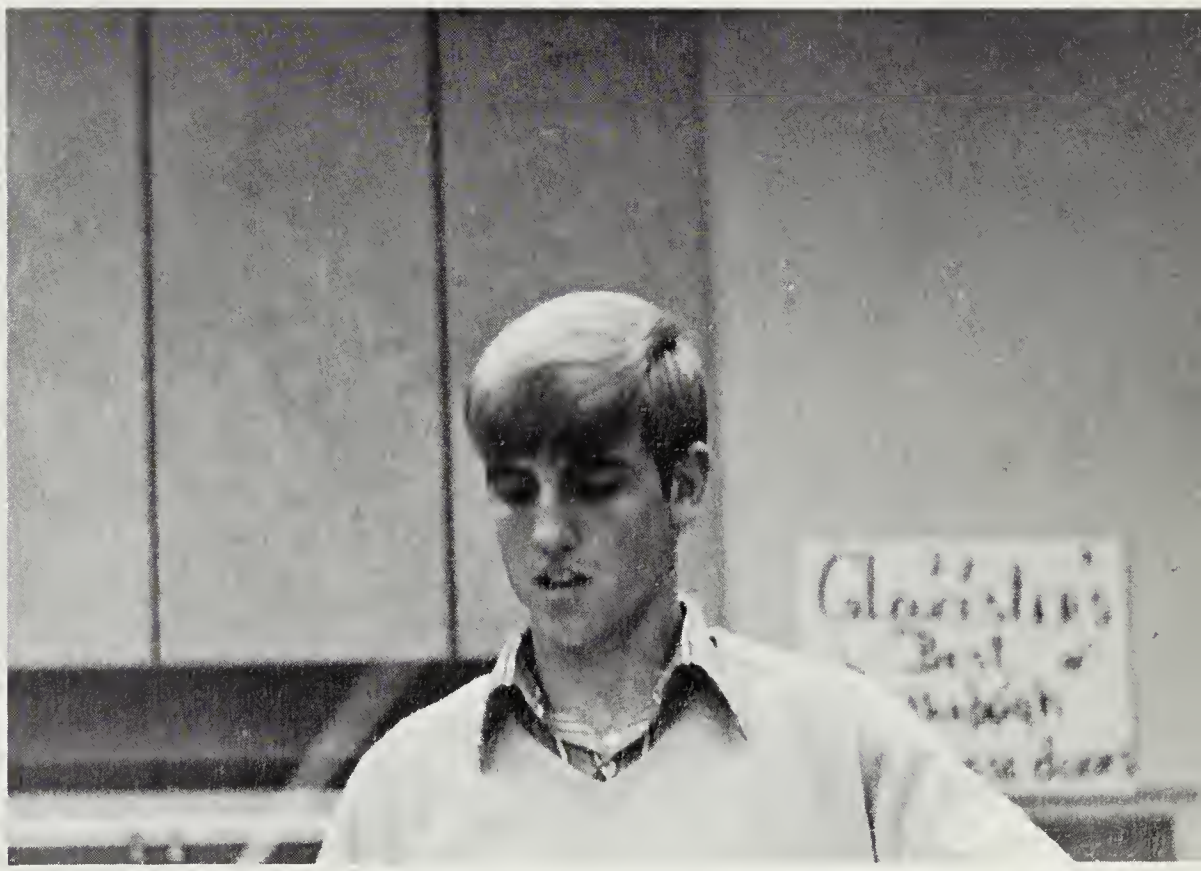
HAPPINESS --

Happiness is expressed in many forms. It is a feeling which can spread and make changes in people. The enjoyment produced by this feeling helps each of us to do better. Happiness is the freedom to do better in anything that we undertake.

Happiness is helping others



Happiness is striving to do our best

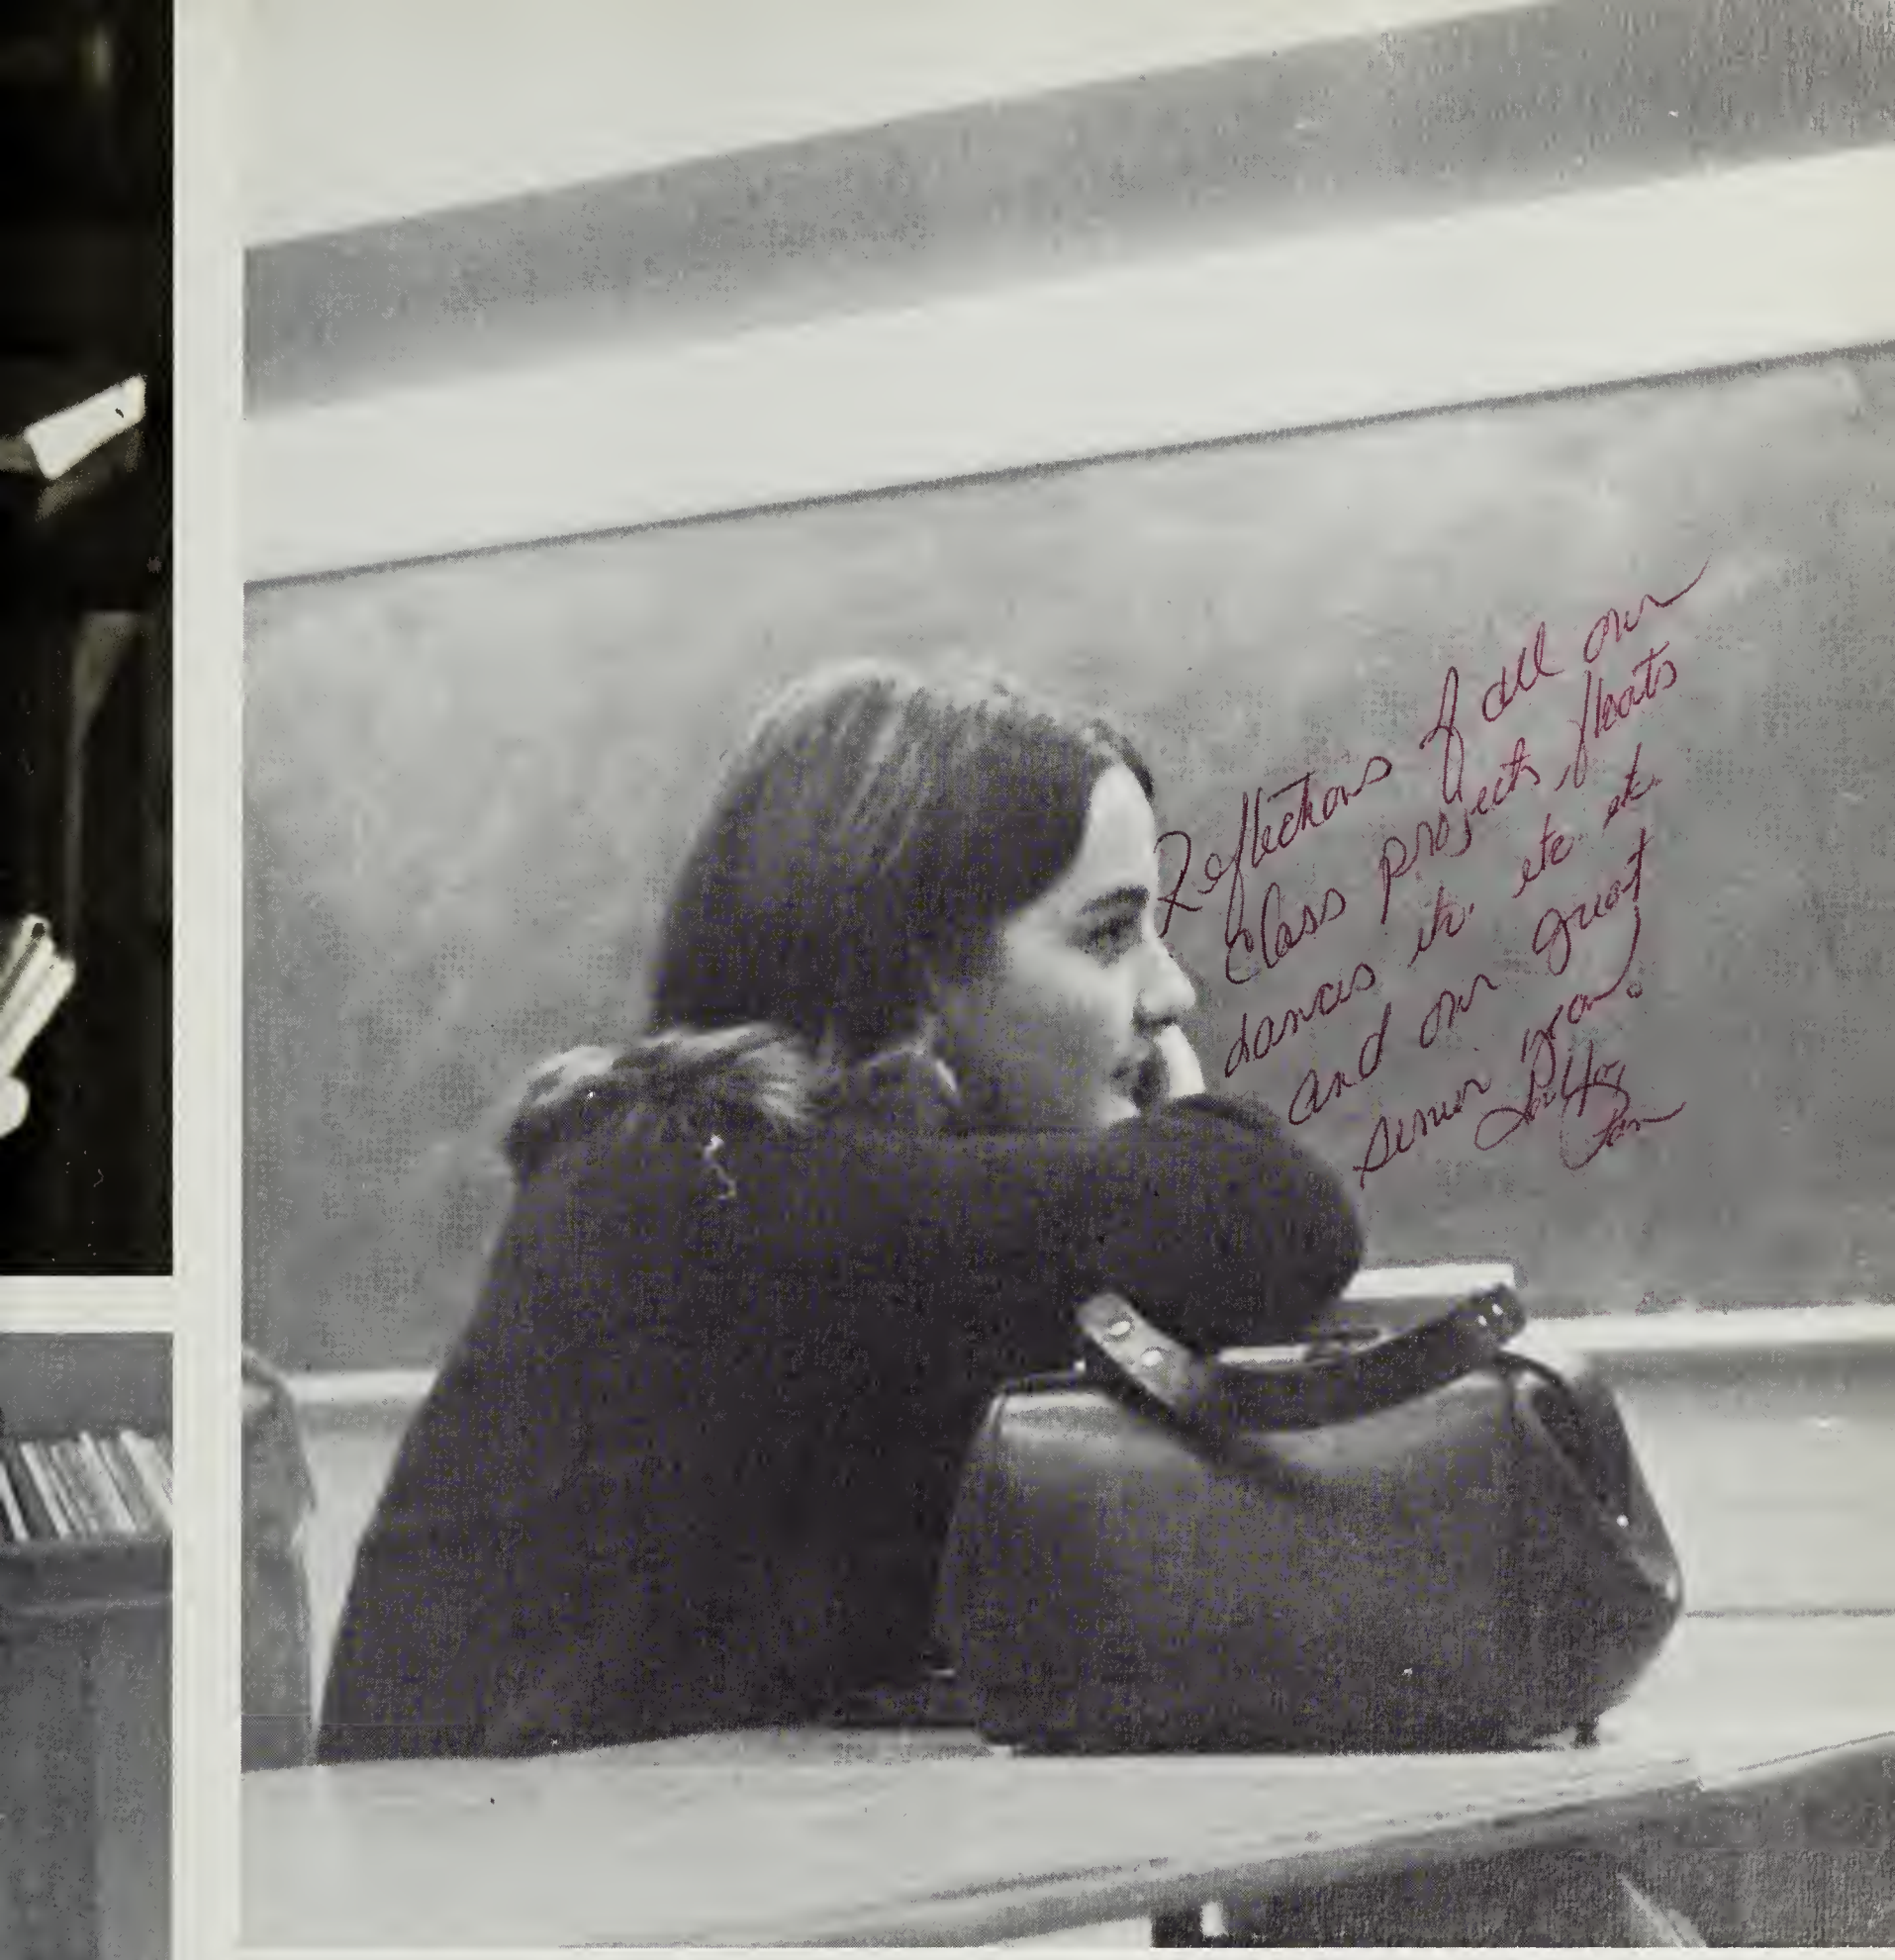
classroom life.



REFLECTIONS --

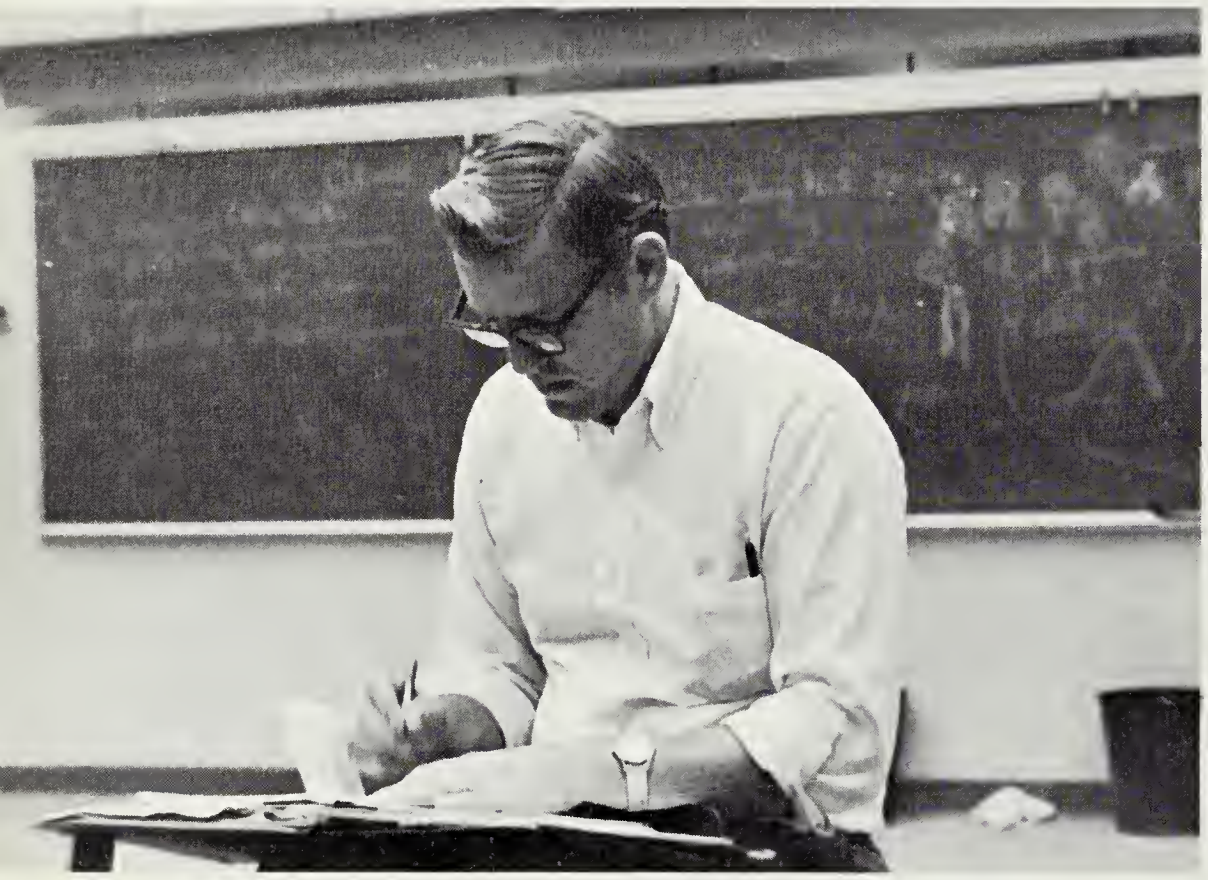
Reflecting on our past experiences is one of the best ways of expressing our new found freedom. It gives us a chance to look back over our past accomplishments and really see what we have done. Most of all it gives us a chance to better ourselves through the correction of our mistakes by new thoughts that reflect from those of old.

Time is a freedom used by all. It can be used for anything from learning to relaxing. It is what we make it.

A Time To Learn

Fellowship

Life at school
is both hard
work and fun



As our high school careers come to an end we would like to pause and thank you. Your efforts as a teacher and coach have not only influenced each of us, but also the entire school. You have contributed greatly both of your time and energy to make our school a better place. For this, we, the Senior Class, dedicate this 1971 Cavalier to you --

J. STUART CONNER

BEING BETTER --

The instinct of trying to be better is one of our most cherished possessions. It leads us to heights that we never believed we could achieve. It promotes that little effort we need to do our best. Being just that little bit better is our freedom for self improvement.

DARK OF THE MOON CAST

Evan,
I cannot express what
a joy it has been for me to
have known you just these three years.
You have been a reliable, trustworthy,
and straight forward person. In you
I have never been approached with
the least act of prejudice. This is a
quality in you that stands out, and
all (your fairness). I know you
will succeed in whatever you
attempt because of your intelligence
skill, & will Power. Teach others
in your race the true meaning of
friendship without regards to race
creed or color. Stay sweet always
and much happiness & success.

Love ya,
Felecia

Education

In this controversial age of ours it is time for us to stop and reflect on our privilege of education. This privilege has been taken for granted too long. We should be thankful that someone is taking the time to strain us for the future. We, the Class of 1971 would like to take the time to thank our teachers and everyone that has given us this most valued privilege.

Hard work applies to everyone, even our exchange student.

ORGANIZATIONS

S.C.A. Council

The S.C.A. has strived for one main goal this year; better communication between the student body and the administration. A more lenient dress code, a juke box in the cafeteria, and a foreign exchange student are projects that the S.C.A. has backed in order to promote school spirit, interest, leadership, honor, and understanding. The officers are: Marsha Poland, president; Karen Bradley, vice-president; Linda DeBolt, secretary; Diane Newton, treasurer; and Rosette Tabb, reporter.

Beta Club

The Beta Club symbolizes achievement, character, and leadership. It presented the first assemble of the year, when Martin Langer, the foreign exchange student from Austria, was tapped as an honorary member. This year, for the first time, the Beta Club had an initiation for its new members. Again, as 1 last year, G.H.S. had two officers in the Federation. The new co-sponsors are Mrs. Van Gieson and Miss Freeman. The officers are Betty Ward, Pres.; Rosemary Green, V-Pres; Marie Robins, Sec.; Lynn Mowry Tres.; and Martha Dischinger, Reporter.

OFFICERS

Interact Club

The Interact Club is a club dedicated to service to the school and community. The Club's projects include care of the school sign and the publishing of the Dukes Dispatch. The club also does special projects throughout the year. The officers are: Keith Sinclair, president; Ronnie Wilson, vice-president; Kenneth Fary, sec. and Lyle Foster, treasurer. The Dukes Dispatch staff is headed by Danny Fary.

Dukes Dispatch Staff

Library Club

The Library Club at Gloucester High School is a service organization whose members spend at least a period a day assisting the librarian. Their many activities include preparing new materials for circulation, filing, assembling materials requested by teachers, aiding students in research, planning and preparing displays and circulating materials. The club also provides an opportunity to explore librarianship as a career.

F.H.A.

The Gloucester High School Chapter Future Homemakers of America theme this year is Stable Home -- Stable Life. We chose this theme for the new members as well as the old members to work together and learn how to make their home and community life more stable. Projects to carry out this emphasis included chapter meetings on the subjects of good family life, a covered dish dinner for members and their families, and a picnic for the FHA'ers and youngsters in the community.

F.F.A.

The Gloucester Chapter of the Future Farmers of America is dedicated to the goal of better rural living through better training and communication in the school and in the community. Students participate in many federation and state contests to sharpen their skills, and carry on projects like a Christmas basket and Spring banquet to help the community and the parents that make our program possible. Officers for this year are: Larry Oliver -- Pres., Joe Peruzzato -- V. Pres., Al Dunston -- Sect., Mike Dame -- Treas., Wayne Burns -- Sentinel, Richard Setterholm -- Reporter, John Hennessee Advisor

J.V. Cheerleaders

FIRST ROW: Faye Meyers, Jana Hogge. SECOND ROW: Gaynor Williams, Peggy Poland, Debbie Dowling, Peggy Crockett. THIRD ROW: Mildred Byrd, Cindy Jenkins, Veronda Ellis, Patsy Marble and Laura Hargis.

Pep Club

The Gloucester High School Pep Club is among the largest clubs at G.H.S. this year. The Pep Club members follow the Dukes on to victory with their unlimited pep and spirit. The Pep Club will always be a vital, growing part of our school's spirit. The officers for this year are as follows:

President -- Valerie Jessen
Vice-President -- Andrea Ayers
Secretary -- Brenda De Bolt
Treasurer -- Maria Rigau

The G.H.S. 4-H Club consists of about seventy members this year. This is one of the largest groups that has ever participated in 4-H at G.H.S.

The 4-H activities are many and varied, with a large range of subjects and projects for both boys and girls. There are great opportunities to travel and increase your knowledge through 4-H Club work.

The 4-H Club motto is "To Make The Best Better," and 4-H members all over the county are doing just that.

NEWPORT NEWS.
WE'VE LAUNCHED MORE THAN 500 SHIPS.

But wait 'til you see our encore. When we started out in 1886, we were just a small ship repair yard. We named the company Newport News. Because we were proud to be doing business here.

Today we're the largest shipyard in the world. And we're still proud to call ourselves Newport News Shipbuilding and Dry Dock Company. Because a lot of the people who helped put us where we are today come from right here on the Virginia Peninsula.

With their help, Newport News has become an important asset to our community, our state and our nation.

Sure, launching over 500 ships in a little more than 80 years is a pretty impressive achievement. But we're not standing still for that. We're constantly looking to the future.

And since our acquisition by Tenneco Inc. we've got an even greater encore lined up for our employees and the community.
